

ST. KEVIN CATHOLIC SCHOOL

Thank you for considering St. Kevin Catholic School for your child's education. We welcome students and their families into a warm Catholic faith community. We are a school where your child will be safe and well cared for, but also flourish personally and intellectually. Family is an integral part of St. Kevin's education and we seek families who take a strong interest in their children's development and who will partner with us to support their children's education.

We invite you to visit our webpage for all school information and activities.

In order to place your child on the waiting list you must apply online. Complete the application by going to the following link:

<https://forms.rediker.com/stkevincatholic>

All required fields on the application must be completed and submitted in order to begin the admission process. After you pay and submit the waiting list application, you will begin receiving school information via email. You can also follow us on Facebook and Instagram.

In accordance with Florida state law, all students must have reached the following age on or before **September 1st**, for the corresponding grade levels: two years of age, three years of age or four years of age for pre-kindergarten, five years of age for kindergarten, and six years of age for first grade. **PK3 and PK4 students must be potty trained.**

The “**grade**” on the waiting list refers to the grade your child will be in for the upcoming school year, not the current grade level. **Successful completion of the current grade, both academically and behaviorally, is required before acceptance into grades 1 through 8.**

An application and fee are required per child applying to the school. Both parents' information must be filled out, do not leave blank.

St. Kevin Catholic School partners with parents to provide rigorous dual language education centered on the faith formation of the whole child to guide him or her in becoming global citizens in the service of others.

El Colegio Católico de Saint Kevin se une a los padres de sus estudiantes para proveerles una rigurosa educación bilingüe centrada en la fe y poder guiarlos a convertirse en ciudadanos globales conscientes al servicio de otros y de su comunidad.
